

## Covid-19 Operating Procedures

*Updated: July 15, 2020*

These new operating procedures are for the safety of Big Screen Flicks staff and movie-goers. We expect them to evolve as we learn what procedures work best during this unprecedented time. We are strictly following all CDC guidelines and orders from the State and Local health departments.

### On-site Staff Procedures

1. Typically, Big Screen Flicks staff will NOT need to access your home or business. Our staff should remain outside the entire time they attend your event.
2. Staff will wear a face mask at all times.
3. Staff will maintain 6 feet distance from movie goers at all time.
4. Staff who are feeling sick and/or have a temperature will not service your event.
5. Staff will be trained in cleaning and sanitation procedures of equipment (i.e. projector, speakers, movie screen).
6. Staff reserves the right to terminate event should the event size become larger than county and state permitted gathering sizes.
7. Staff reserves the right to terminate event should they feel unsafe due to Covid-19 related issues.
