

Little Patuxent River HM & 10K - Feb 6, 2022

Wave Start List - Updated 2/3/22 at 1:00 PM

To ensure runner safety and to reduce the amount of passing during the first few miles of the race, participants have been placed into waves of 150 people based on their average pace per mile as entered on the registration form. Participants MUST start in their assigned waves. If your average pace is list incorrectly but only by 15-30 seconds or so, please remain in your assigned wave. If you feel strongly that you should be placed in a different wave, please email us at racedirector@ripitevents.com. Your individual run time starts when you cross under the starting arch within each wave.
